Instructions:
Everyone has a card and is instructed not to look at it. People mill around the room with the card on their forehead and the card suit facing out and attempt to find a partner or partners to try to come as close to 21 as possible without going over. Give 2-3minutes and when the time is up they must be with their team. Team members show each other their cards to determine how close they came to 21. You can make this competitive with other teams and play multiple rounds.
